University of Colorado, Anschutz Medical Campus  
School of Dental Medicine  
Student Affairs and Admissions  
Official Title: Student Assistant III  
Working Title: SDM Student Tutor

Job Summary: The School of Dental Medicine (SDM) welcomes applications from exceptional candidates with administrative skills who are interested in providing support to a diverse faculty, staff, and student community to work in the Student Admission and Engagement Office. Under the direction of the Student Affairs and Admissions Leadership team, SDM Student Tutors (Student Assistant III) are the cornerstone in the academic success of our dental students, providing them with the necessary tools and guidance to excel in their studies and clinical training. Your dedication to their growth and your expertise will contribute significantly to their accomplishments within the School of Dental Medicine.

This part-time position is located with University of Colorado, Anschutz Medical Campus in the School of Dental Medicine. This is an hourly position on-campus and tutoring assignments will be variable and assigned by the Student Affairs and Admissions Leadership team. The University of Colorado Anschutz Medical Campus is a public education, clinical and research facility serving 4,500 students, and a world-class medical destination at the forefront of life-changing science, medicine, and healthcare. Examples of work performed:

In this multifaceted role, you will be responsible for a diverse range of tasks that are pivotal in ensuring the success of our students. These responsibilities include, but are not limited to:

- **Personalized One-on-One Tutoring:** Provide individualized academic support to students, tailoring your guidance to their specific learning needs, ensuring they grasp key concepts effectively.

- **Development of Comprehensive Review Materials:** Create educational resources that comprehensively cover course material, facilitating easier understanding and retention for students.

- **Facilitation of Group Review Sessions:** Organize and lead group study sessions, fostering a collaborative learning environment where students can share knowledge and clarify doubts.

- **Clinical Assistance Sessions (Under the guidance of Dr. Thomason):** Collaborate with Dr. Thomason to conduct clinical help sessions, where students can receive hands-on guidance and clarification on clinical procedures.

- **Axium and Clinical Procedures Reviews:** Assist students in navigating Axium and understanding clinical procedures, ensuring they are proficient in using these essential tools.

- **Study Skills Development:** Mentor students in the development of effective study strategies and time management techniques to optimize their learning experience.
• **Board Exam Preparation:** Support students in their preparation for board exams, offering guidance and resources to help them excel in these critical assessments.

*This description is a summary only and is describing the general level of work being performed, it is not intended to be all-inclusive. The duties of this position may change from time to time and/or based on department and School of Dental Medicine need. We reserve the right to add or delete duties and responsibilities at the discretion of the supervisor and/or hiring authority.*

**Why Join Us:**

The University of Colorado School of Dental Medicine (CUSDM), a collaborative partner on the Anschutz Medical Campus, is a diverse learning, clinical care, and research community. The CU SDM is committed to integrated health that innovates, treats and discovers for the well-being of and in-service to local and global communities. CUSDM will be recognized as the leading transformative dental institution that graduates future-ready practitioners to deliver research-informed person-centered care.

**Diversity and Equity:**

The University of Colorado Anschutz Medical Campus is committed to recruiting and supporting a diverse student body, faculty, and administrative staff. The university strives to promote a culture of inclusiveness, respect, communication and understanding. We encourage applications from women, ethnic minorities, persons with disabilities, persons within the LGBTQ+ community and all veterans. The University of Colorado is committed to diversity and equality in education and employment.
