★

It is military tradition to celebrate achievements, whether they are part of a team or an individual event. These celebrations take many forms and are intended to motivate others to excel and to perpetuate our values of service before self and excellence in all we do. The promotion ceremony is no different. At this event, we will heap praise and recognition upon the promotee, hopefully in such a manner as to inspire the audience to strive for their own goals.

– UNITED STATES AIR FORCE

★

ORDER OF EVENTS

WELCOME

Patrick Murphy, DDS '23
