Research Day – April 1, 2022

Poster Session

The poster session on Friday includes competitions in five categories for $150 prizes for presenters.

The categories are:

1. Dental students and ISP students at the School of Dental Medicine
2. Residents at the School of Dental Medicine
3. Graduate Students in labs at the School of Dental Medicine
4. Professional Research Assistants at the School of Dental Medicine
5. Post Docs in labs at the School of Dental Medicine

Everyone with a research project, even if not fully completed work, is encouraged to participate in the Friday poster session.

Trainees and students, please note: If you were chosen to give an oral presentation, you should also submit an abstract and bring a poster.

Submit abstracts to (Dr. Devatha Nair) by March 24, 2022 to be included in the official program.

Poster Guidelines:

- Abstracts:
  - Title, names of all authors, category for competition.
  - Include 4 sections (Purpose, Methods, Results, and Conclusions).
  - Limit the number of words to 300
  - A figure or a table is allowed
  - The content of the abstract should include an analysis of the outcomes measured (statistical analysis preferred)
  - The conclusions should accurately reflect and be limited to the findings of the study.
  - Use 12 point Arial font for the abstract.

- A PowerPoint template for the poster is attached to this email. Please use this template as it provides guidance for the poster. If you have a poster from a recent meeting, that poster can be used at the Research Day*

- The preferred poster size is 3’ x 4’. The price at PhD posters for printing is $52.99 and Dr. Stansbury will cover the costs for printing posters. You will be responsible for any costs that exceed $53. Please contact Dr. Stansbury for details at Jeffrey.Stansbury@cuanschutz.edu

*If you have a poster format for a meeting (AADR, ADEA, or etc.) then use that format. Otherwise, please use the attached template for the poster.

Thank you in advance for your support and participation in our 38th Annual Research Day 2022
