I understand that applications are not regarded as “complete” until all supporting papers have been received; therefore, it is in my interest to see that these documents are submitted as promptly as possible. It is also my understanding that official transcripts sent directly from each school attended must be received as soon as possible and at the end of each successive semester or quarter for as long as my application is being considered. Official transcripts showing additional work after acceptance must also be supplied.

I affirm that, if I have claimed to be a legal resident of Colorado in this application, that I am a legal Colorado resident and will, if required by the institution, provide substantiating evidence.

I understand that prior to acceptance into any residency program at University of Colorado, applicants must clear a screening process to ensure they are not listed by a federal agency as excluded, suspended or otherwise ineligible for participation. This includes judgments rendered about federally issued student loans, Medicare, Medicaid and other federal fraud, and for males, the Selective Service System.

I am not currently under charge or have not been convicted of a felony or misdemeanor other than minor traffic violations, or an equivalent charge or conviction in any non-U.S. jurisdiction.

I have not been subject in the U.S. or elsewhere, to disciplinary actions related to professional competence or conduct by any state or other dental licensing board, hospital, health care organization or professional association; such licensure actions to include revocation, suspension, censure, reprimand, probation or surrender.

I certify that the information in this application is complete and correct to the best of my knowledge and belief and that submission of any false information is grounds for rejection of my application, withdrawal of any offer of acceptance, or dismissal after enrollment.
